Publication: November 6, 2025
Publisher: Jeffco Transcript

WHEREAS, the Board has appointed its accountant to prepare and submit a proposed budget to the Board in accordance with Colorado law; and

WHEREAS, the proposed budget has been submitted to the Board for its review and consideration; and

WHEREAS, upon due and proper notice, provided in accordance with Colorado law, said proposed budget was available for inspection by the public at a designated place, a public hearing was held and interested electors of the District were provided a public comment period and given the opportunity to file any objections to the proposed budget prior to the final adoption of the budget by the Board.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD AS FOLLOWS:

Section 1. Adoption of Budget. The budget attached hereto and incorporated herein is approved and adopted as the budget of the District for fiscal year 2026. In the event of recertification of values by the County Assessor's Office after the date of adoption hereof, staff is hereby directed to modify and/or adjust the budget and certification to reflect the recertification without the need for additional Board authorization. Any such modification to the budget or certification as contemplated by this Section 1 shall be deemed ratified by the Board.

Section 2. Levy of Property Taxes. The Board does hereby certify the levy of property taxes for collection in 2026 as more specifically set out in the budget attached hereto.

Section 3. Mill Levy Adjustment. When developing the attached budget, consideration was given to any changes in the method of calculating assessed valuation, including any changes to the assessment ratios, or any constitutionally mandated tax credit, cut, or abatement, as authorized in the District's service plan. The Board hereby determines in good faith (such determination to be binding and final), that to the extent possible, the adjustments to the mill levies made to account for changes in Colorado law described in the prior sentence, and the actual tax revenues generated by the mill levies, are neither diminished nor enhanced as a result of those changes.

Section 4. Certification to County Commissioners. The Board directs its legal counsel, manager, accountant, or other designee to certify to the Board of County Commissioners of Jefferson County, Colorado the mill levies for the District as set forth herein. Such certification shall be in compliance with the requirements of Colorado law.

2026 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

Legacy Metropolitan District No. 9 (the “District”), a quasi-municipal corporation, is governed pursuant to provisions of the Colorado Special District Act. The District’s service area is located in Jefferson County, Colorado. The District was formed by order and decree of the District Court for Jefferson County on May 28, 2025. The District was established to provide financing for the design, acquisition, installation, construction, completion and maintenance of public improvements.

The consolidated service plan for Legacy Metropolitan District Nos. 1 – 12 (the “Districts”) was approved by the City of Wheat Ridge, Colorado, on February 24, 2025. The consolidated service plan limits the total debt that the Districts collectively may issue to \$110,000,000, which limit is permitted to be issued in amounts and on a schedule in a year or years as the issuing District, in its discretion, determines is necessary to serve development as it occurs.

On May 6, 2025, the District’s voters authorized indebtedness of \$110,000,000 each for streets, parks and recreation, water, sanitary and storm sewer, public transportation, and fire protection improvements, as well as \$110,000,000 each for special improvement assessments, operations and maintenance, intergovernmental agreements for public agreements, and private agreements for public improvements. The District’s voters also authorized indebtedness of \$1,000,000 each for mosquito control, TV relay, and security services, as well as \$554,000,000 for debt refunding. Further, the District’s voters authorized annual property taxes of up to \$10,000,000, without limitation as to rate, to pay the District’s operation and maintenance costs.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

The District has no employees and all administrative functions are contracted.

Revenues and Expenditures

The District is in the development stage and anticipates minimal activities in 2026. As such, the operating and administrative expenditures will be funded by the Developer. Developer advances are recorded as revenue for budget purposes with an obligation for future repayment when the District is financially able to reimburse the Developer from bond proceeds and other legally available revenue.

Debts and Leases

The District has no outstanding debt or any operating or capital leases.

2026 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Reserves

The District has not provided for an emergency reserve equal to at least 3% of the fiscal year spending (as defined under TABOR) because there is no revenue anticipated in 2026 other than advances from Developer.
